Dear, Amanda / Jason

On behalf of Conestoga students, I would like to take this opportunity to thank Breakaway Tours for all the continued hard work in providing excellent customer service and support to our students.

We have always had problem free trips and can rely on great staff support to ensure all of our students are in great hands while away on trips. Many students have expressed gratitude in traveling with Breakaway tours, the enthusiasm of students and the reliability of Breakaway is what keeps us coming back each year.

I truly want to express my thanks in your commitment to Conestoga students and your guarantee of a quality product. Breakaway Tours has been an absolute pleasure to deal with both financially and personally.

I hope the summer is well and we look forward to another great year in working with Breakaway Tours.

Talk to you soon,

I'd like to say thanks again for all the work you put into making Cancun such an amazing time. It was definitely the best week of my life. In 3 words: Simply the Best! Breakaway was great to work with. All of the staff are fun, easy going, organized, friendly and easy to contact. In Cancun, there was staff everywhere so if there were any problems, you could get help right away. I was really impressed with how smoothly everything ran - from transportation, to the rooms at the hotel, to the access at all the clubs - it was simply Amazing. Whenever there were any doubts in my mind about anything, Breakaway reassured me that everything was going to work and nothing was going to go wrong - and they lived up to that 100%. Thank you so much for everything. Laura M
