To Whom It May Concern:

Re: Breakaway Tours

I am pleased to write you concerning Breakaway Tours. Breakaway Tours contracts transportation services from Coach Canada for thousands of students each year to destinations throughout the USA and Canada. Each tour is well organized by a talented team of travel industry professionals and escorted by knowledgeable, caring people.

It is for the above-noted reasons that I consider Breakaway Tours to be one of the best student and youth tour operators we have had the pleasure of working with. Many of our drivers comment on the care and professionalism that is shown to them during tours as well as the rigid planning that goes into each tour departure.

Coach Canada is the largest charter motor coach company in Ontario and is a key supplier to Breakaway Tours. Our relationship spans in excess of fifteen years and literally thousands of motor coach departures. It remains a pleasure to work with Breakaway Tours team due, in no small part, to the professionalism and integrity they show in all aspects.

If you require any additional information please do not hesitate to contact me.

Yours in travel,

Hey! I just wanted to thank you for an unforgettable week! Everything was amazing and my expectations, and those of my friends were not only met but, exceeded. We really did have the time of our lives. None of it could have been possible with your help and support, so thank you! It was really nice of you to always make sure that everything was okay and that we were having a great time. The rep dinner was awesome, probably the best meal all week! Anyways thanks again and we will definitely keep in touch!
