

### Break Away Tours,

Once again Spring Break has been a success with Breakaway Tours and Bulldog Café. Congratulations on being #1 in Canada.

Bulldog Café is extremely happy to be working with Breakaway Tours, Canada's leading Student travel provider for Spring Break. We hope that each of your clients leave our club every night with nothing but great memories of Bulldog Café.

Our VIP entrance (and huge hot tub!) always welcomes Breakaway Tours students and VIPs. We look forward to working with you for Spring Break 2007.

Sincerely,

Pepe Escalante

"From the moment I met my bus captain, I felt comfortable. Normally I get nervous that they will not meet up with my or my companies' expectations for a safe and comfortable journey. You have. During the trip, he continually moved around the bus collecting garbage and ensuring their comfort. A pleasant change."
