Breakaway Tours,

As one of the largest Hotel room suppliers in Cancun, Turismo Joven is extremely proud to be working annually with Breakaway Tours, Canada's largest student travel provider.

Providing rooms at the Oasis Cancun for your students each year is a great opportunity for your students to experience their Spring Break and Grad Trips at the highest possible level of comfort and enjoyment. Your groups are always ensured the best rooms in the hotel, and always receive the best service from hotel staff.

The Oasis is Cancun's most popular student hotel each year, and they always look forward to servicing the large groups of passengers that Breakaway Tours brings to the hotel.

I know many companies promote and sell the Oasis, but having the relationships that Turismo Joven and Breakaway Tours have with the hotel is a great advantage to ensure that all your passengers leave 100% satisfied each year.

You were by far the largest Canadian Student Travel company this year in Cancun at the Oasis and you have been for many years. On behalf of Turismo Joven, the Oasis Resorts and Cancun, Mexico I would like to thank you for all your business and look forward to a great 2007!

"I would recommend these trips for any students who are looking for one of the best experiences they can share with close friends, and those who are looking to make new ones to last a lifetime. Thanks for a GREAT week!"
